# SRI VENKATESWARA INSTITUTE OF MEDICAL SCIENCES, TIRUPATI

## I. Introduction

Sri Venkateswara Institute of Medical Sciences (SVIMS), Tirupati, established in the year 1993, under the aegis of Tirumala Tirupati Devasthanams, as a modern super specialty hospital, was granted the status of a university in the year 1995 by an act of A.P. State legislature vide act no.12 of 1995. The objectives of the Institute are:

- a) to create a centre of excellence for providing medical care, education and research facilities of a high order in the field of medical sciences in the existing super-specialties and such other super-specialties as may develop in future, including continuing medical education and hospital administration.
- b) to develop patterns of teaching in postgraduate level and in super specialties so as to set a high standard of medical education.
- c) to provide for training in paramedical and allied fields, particularly in relation to super-specialties.
- d) to function as a referral hospital
- e) to provide for post graduate teaching and conduct of research in the relevant disciplines of modern medicine and other allied sciences, including inter-disciplinary fields of physical and biological sciences.

The institution, spread in a 55 acre campus, is gradually growing into a prestigious university. Today, SVIMS has 24 super/broad specialty medical departments two colleges and two inter-disciplinary departments and is developing into a centre of excellence for providing medical care, education and research activities of a high standard in the field of medical and other allied sciences including inter-disciplinary fields of physical and biological sciences. In addition to these, SVIMS also provides training in para-medical and allied fields, particularly related to super-specialties.

The Institution is recognized by the University Grants Commission (UGC) under section 12 (B) of the UGC act, 1956, and the Medical Council of India (MCI) has granted permission and later recognition to start DM/MCh super-specialty courses in cardiology, neurology, nephrology, endocrinology, medical oncology, CVT surgery, neurosurgery, urology, surgical oncology & surgical gastroenterology and MD courses in anesthesiology, microbiology, biochemistry, pathology, medicine & immuno haematology and blood transfusion.
