Message from the President of the University

Dear students,

The state of Karnataka, where education and enlightenment have always been a culture, is among the front line states of the country known for providing quality education. It is no wonder that Karnataka has carved a niche in the educational map of India.

Bijapur, the city of magnanimous history and historical monuments, has since long, been a great seat of learning. If Salotagi a small hamlet of the district, was the most renowned centre of knowledge a few centuries ago, the B.L.D.E Association, founded in 1910, is the hope of the new generation of academic aspirants.

B.L.D.E. Association an educational institution par excellence forged out of the noble concerns of late Dr. P.G. Halakatti, late His Holiness Shri Banthanal Swamiji, the far sighted visionary, late Sri B.M. Patil and a galaxy of the most dedicated, duty minded board of directors, offers practically all kinds of courses under the sun.

The very fact that the B.M. Patil Medical College Hospital and Research Center, which is one of the very few institutions in India having 1000 bed hospital since its inception is just a little more than two decades old and has attained the status of deemed to be University echoes the melodies of quality medical education it is providing.

Come, join B.L.D.E University, the institution which will nourish your dreams & be competent and good professionals.

With best wishes,
Sri. M. B. Patil, BE.

Message from the Vice Chancellor

Dear students,

If one casts a look at the academic, professional and service oriented careers across the world, one would definitely find medical education and medical profession the most important and equally challenging.

The very face of the world is changing in view of globalization and the techno-scientific revolution. We have been the members of a "global family" competition, research, challenges and continuous abreasting with changing trends, are the characteristic features of the new found global academic culture.

Such being the scenario, naturally the students and the parents interested in medical education would be scouting such academic bodies that would ensure a grand treasure of knowledge, a faculty that would strive hard to quench the unstable knowledge thirst of the students, an infrastructure that is unique, inspiring and imposing, a campus, the very ambience of which would be deeply enchanting, the hostels that would be the hubs of peer group activities and a quality instruction that would match the best offered in the most renowned institutions of the world.

We, in the B.L.D.E University promise all these and much more, our academic canvas glitters with the most brilliant colours. Be a part of it, join B.L.D.E University.

With best wishes,
Dr. Sateesh S. Jigjini, MD (Path).

The Medical College and Hospital are situated adjacent to each other on a campus spread over 53 acres. The campus houses black stone buildings of old world charm which are well ventilated and illuminated. The college departments, the central library and residential areas are distributed in various blocks spread over 53 acres land on a single campus in the city.

The massive hospital building is also very spacious with adequate natural illumination and ventilation. The campus has its own beautiful landscaped gardens. It is eco friendly having its own effluent water treatment plant and incinerator for waste management. It is also served by a generator for round the clock electricity supply during power failure. The college has 23 departments with state of the art facilities for teaching both undergraduate and postgraduate

students. In addition, the college has a separate department of Kannada and Culture which is one of the first in the state. It also has a department of yoga science.

The Medical College Hospital has 965 beds. Apart from providing outpatient services to various departments it also has inpatient facilities servicing various departments. It has fully equipped Intensive Cardiac Care Unit, Intensive Care Unit, Pediatrics Intensive Care Unit, Neonatal Care Unit, Surgical Intensive Care Unit, a specialized isolated sterile burns ward. All of these are fully equipped with required monitors, pulse oxymeters, defibrillators, ventilators, infusion pumps and various other specialized equipments required for critical patient care. The hospital is equipped with the advanced 1.5 Tesla MR1 Scan, 6 slice CT Scan along with routine radiological instrumentation like C arm, x-ray machine, multiple portable xray machines, 3D Colour Doppler etc. In addition the hospital has provided ultra sound equipment in the labour room and portable colour doppler in the ICU and ICCU. The hospital also has a fully developed Urology unit with all Endo Urological Equipment. It also has Extra Corporeal Shock Wave Lithotripsy equipment. The department of Nephrology is equipped with four Haemo Dialysis units and Continuous Ambulatory Peritoneal Dialysis facilities are available. In the department of Medicine a unit of Medical Gastro Enterology functions with availability of all necessary video endoscopes for diagnostic and therapeutic procedures. For all surgical specialties, laparoscopic instruments are available to cater for General Surgery, Obst/Gynaec and Urology departments. The hospital also has a Blood bank which functions for 24 hours a day. The department of Ophthalmology is highly equipped with YAG lasers, Diode laser, Fundus Camera and Computerized Perimetry etc.

The Central Laboratory functions 24 hours a day. The Biochemistry Laboratory is annually assessed by the Quality Control Department of Christian Medical College, Vellore. They evaluate laboratories on all India basis and on this basis our laboratory ranks 11 at the national level.

The eminence of the staff has left its mark on both undergraduate and postgraduate teaching and has fetched name and fame. The faculty members have held high academic positions like Member of Medical Council of India, Director Curriculum development cell, Rajiv Gandhi University of Health Sciences, Bangalore. Many have been Members of Board of Studies of Rajiv Gandhi University of Health Sciences, Bangalore. In addition, our faculty have held high positions in professional bodies of their respective specialties as Chairman/Chair person of State Association, Secretary or as Executive Committee Members. Also many have been invited to be speakers at National and State Level events. Few of our faculty are on the

editorial board or peer reviewers for International and Indexed Journals like BMJ group of Journals and publications.

The academic performance of our students is excellent. The examination results range within 90-95% with at least 30 to 40% securing first class and a few distinctions. Extracurricular activities are encouraged and the participants from the institute regularly take part in Zonal, Interzonal, University, Inter-University meets. Out of these events we are sharing a significant share of prizes awarded every year. Significant number of our students are University blues in various events.

Research is well taken by our students and they regularly participate in ICMR projects. They have presented papers in State Level Conference participated in Quiz Competitions and won laurels at various levels. The teaching faculty is involved actively in research which results in significant number of publications every year. The Scientific and Research Society of the Institute has a fortnightly meet which presents a platform for case presentation, paper presentation, panel discussion and CPC. In addition routinely Guest Lectures by eminent medical personalities are arranged. Our institution has hosted 10 State Level Conferences of various specialties and 4 National Conferences so far. This is an addition to numerous Continuing Medical Education Programmes which are conducted. We have also conducted an Indo-British CME Programme on Hepato Biliary Diseases which was co-sponsored by Medical Council of India. All research activities of the scientific and research society are published in inhouse publication titled *Analytica Medica*. The Scientific and Research Society held two workshops in the previous year one was on Basic Life Support on 16th and 17th April 2008, in which 190 Faculty members attended, the other one was on Septorhinoplasty in association with Department of Otolaryngology and Head & Neck Surgery on 8th November 2008. Recently Symposium was conducted on Effect of Globalization & Market Economy on Medical/Health Care as a part of celebration of Platinum Jubilee Year of Medical Council of India on 7th February 2009.

- The BLDEU-UGET-2009 test administration is timed. The test session is designed to be completed within 180 minutes as indicated in this brochure and no compromise will be made on the set time limit. The Chief Superintendent of the test centre is the official timekeeper. Candidates (Test takers) will not be permitted to continue the test beyond the established time limit.
- Photographs, Video shooting and finger print scanning shall be done during the test and counselling.
- Candidates are not allowed to go out of the room temporarily for any reason during the test duration.

Grounds for Disqualification

The BLDEU-UGET-2009 Chief Superintendent is authorized to disqualify a candidate from a test session for:

- Attempting to take the test for someone else (Impersonation)
- Failing to provide acceptable identification when asked for or creating disturbance at the test venue.
- Giving or receiving unauthorized help.
- Using any forbidden / unauthorized aids, such as personal computational devices, pagers, cell phones etc.
- Leaving the test centre within the first 15 minutes after commencement of the test.
- Failing to adhere to any of the other procedures and regulations cited.
- Refusing to follow directions as stipulated by the invigilators etc. Requests like use of toilet during the test will not be entertained. Failure to comply with the test procedures & regulations or with the Chief Superintendent's directions, can result in the University taking action/s that include, but are not limited to, barring candidates from future testing and/or canceling the candidates test scores and forfeiture of test fee.

The Final Rank list

Any verifications / clarifications sought by the applicants will be put forth to the Committee for their consideration and the decision given by the committee will be final and shall be binding on all. No further claims will be considered. The final merit / rank list will be generated based on the performance in the entrance test and the same will be published on **3rd June 2009**.

Inter-se Merit

Ties in the test scores, if any, will be resolved on the basis of the Inter Se Merit as defined below:

1. Aggregate marks secured in Chemistry and Biology in the entrance test shall be compared and candidate having higher marks shall be awarded higher rank.
2. In the event of tie in aggregate marks, marks in Biology along with the entrance marks test shall be compared and candidate who secures higher marks in Biology will be awarded higher rank.
3. In case tie in the above , each of the candidate shall be considered and the candidate elder in age shall be ranked higher.
4. In case of tie of all the above, higher rank will be awarded on random selection.

BLDE University will not accept any other qualification of entrance examination conducted by any other agencies to determine the inter-se merit.
