Institute of Dental Sciences, Belgaum.

Since 1985...

BRIEF HISTORY

Dental Science is an area that has gained tremendous recognition in recent years. The ratio of qualified Dental Surgeons was very low as compared to other Medical Faculties. This prompted the K.L.E. Society to establish a Dental College, one that would serve the populace in the states of Karnataka and Maharashtra. The Dental Council of India gave approval for the BDS course in 1989 and since then the Institute has come a long way and has gained numerous accolades.
