BRIEF HISTORY

Sree Siddhartha Education Society was founded in the year 1959 by its Founder Secretary late. Sri. H.M. Gangadharaiah a great man with a noble intension to provide Education to rural children of the state of Karnataka.

Sri. H.M. Gangadharaiah commenced his career as a drawing teacher at normal high school at Tumkur and he earned his four years diploma in Arts and painting from Sree Jayachamarajendra Arts Training Institute, Mysore.

He took to the teaching profession at Middle and High School level as Drawing Master and became a member of the representative assembly (M.R.A) during the period of His Highness Sri. Krishnaraja Wodeyar of the then Mysore State. Then, influenced by the principles of Mahathma Gandhiji joined Congress and became an Executive member of Congress party, contested elections from Moodigere constituency, got elected and served as an MLC during the period of the then Chief Minister Sree. K.C. Reddy later.

During his career, he brought about several social reforms to help down-trodden people in the state of Mysore. He started anti-animal-slaughter movement and prevented animal slaughter during the marriages. He toured throughout the state and with the help of then existing Governments, he became responsible to establish several colonies for the down-trodden and helped in rehabilitating them with houses and lands to the land-less people in many parts of the state of Mysore.

During 1959 Santh Vinobhave visited his native village when he was on "Pada Yathra" movement for Bhoo-Dana Pada-Yathra revolution.

During his stay at Siddarthnagar, Santh Vinobhaji summoned important persons of the village and addressed them. On this occasion he advised Sri. H.M. Gangadharaiah to give up politics and involve himself in the field of Education and establish Educational Institutions to provide education to the rural, illiterate masses who stayed in the darkness of Illiteracy for centuries.

With the noble advice of Santh Vinobhaji, our Founder Secretary, Sri. H.M. Gangadharaiah gave-up politics and started opening his inner vision to establish several Educational Institutions including High Schools, First Grade Colleges, Junior College, Engineering College, Teacher's Training Institutions (T.C.H), College of Education (B.Ed. College), College of M.B.A., I.T.I. Institutes, Medical College, College of Nursing and Dental College etc.

Today Sree Siddhartha Education Society is managing more than 100 institutions and providing Education to rural masses of Karnataka. The Founder Secretary left to himself was a very simple man, a true Gandhian, a simple living and high thinking social worker and Luminary in the field of Education, hailing from a done-trodden family, he had experienced the problem of poverty and struggled hard to help himself and helped others in many ways. Unfortunately with brief-illness in 1995 on 5th December, he left us...

But we the Management of Sree Siddhartha Education Society, feel his absence, every day we always remember and follow the noble principles he left behind. We pay our respectful homage and cherish his memories on the Occasion of "Founder's Day".
