The candidates in the order of merit as per the rank list published by the university will be called for seat selection as per the schedule mentioned.

They shall then follow instructions as per the details provided in the counseling announcement as mentioned below.

Candidates are advised to bring a complete set of Xerox copies of original certificates asked by the University.

Seat selection: The candidates will be allowed to select a Subject of study of their choice strictly in the order of merit. The candidate will be allowed to participate for seat selection in accordance with the notified time schedule and as per the order of Merit. After verification the SDUU will retain only the set of photocopies and the original set of documents will be returned to the candidates for submitting the same to Sri Devaraj Urs Medical College at the time of admission.

Besides, documents like:

- (i) Eligibility certificate issued by The University (SDUU), for candidates who are not student of The University.

- (iii) Migration Certificate for candidates of Universities other than SDUU.

as applicable, will have to be submitted directly at the time of admission to the college.

Biometric verification, photo verification and signature verification will be made and therefore the **candidate is required to be present compulsorily for seat selection process. Only one person (parent, guardian or spouse) can accompany the candidate for the entire counseling process.**

The entire seat selection process in the SDUU is controlled by a computer system right from the stage of registration till the stage of printing of Allotment letter. The highly sophisticated software used in the system has the ability to control the initial registration, provide data for verification of the original documents and to take care of the selection of the seats by the candidates in the order of merit, payment of fees and finally printing of Allotment letter. We assure you that, once the candidate comes to the seat selection by registering and verifying the documents, order of merit cannot be changed as it is computerized. A candidate who has the better rank gets the opportunity to select a seat, a candidate who has the rank next to him cannot think of bypassing him. He will have to wait for his turn at the seat selection terminals. A dynamic screen will show course-wise availability of seats, which helps the candidates to make up their mind in advance. The moment a seat is selected by the candidate, the computer will show one seat less against the course from which the candidate has selected the seat. The candidate will be given a letter of offer for the particular course along with the details of payment to be made by the candidate. The candidate has to deposit the Demand Draft at the counter provided in the counseling hall. After this the candidate will be given the Allotment letter that he/she has to submit at the college at the time of admission.

No candidate will be allowed to change the seat once selected during this round. Candidates are cautioned here that they have to be very careful during this process, as the computerized system cannot be reversed

especially if the rank below him has already exercised his choice of seat selection. After the candidate is allotted a seat. He/she should get admitted to the college (SDUMC) on or before the date and time mentioned in the allotment letter otherwise the seat allotted will be forfeited.

Grounds for Rejection:

- If on verification the documents of the candidates is not found to be in order or if there is any on falsification of documents or if the expert committee is not convinced about the documents submitted at the verification counter his/her candidature will be rejected.
- If there is a mismatch of photo, finger impression signature of the candidate or if there is a reasonable doubt by the expert committee that there is malicious intent of the candidate to impersonate such candidate/s will be debarred and criminal proceedings may be initiated.
- If the candidate does not get the prescribed amount in form of Demand Draft their candidature will be rejected.
- Candidate must be physically present and no proxy registration will be accepted.

6. LEGAL JURISDICTION

Any dispute that may arise in respect of the seat selection process and admission is subject to the jurisdiction of the Hon'ble High Court of Karnataka and consumer court of Bangalore. **The issue of Allotment letter by the SDUU is provisional which is to enable the candidate to join Sri Devaraj Urs Medical College, Kolar subject to his meeting all the eligibility requirements as prescribed by MCI as well as SDUU, Kolar, Karnataka.** Hence at the college level all the original documents are once again verified before acceptance, besides biometric, photo and signature verifications.
